CONFIDENTIAL ATTORNEY – CLIENT PRIVILEGED

Hi Jim & Eric,

Attached are my handful of comments on the script for your review/supplement.

I spoke with Dave Croxton today, and he asked that we get final comments on the script to Dave by COB Eastern Time on Monday, August 26. Eric, in my absence, could you please take the lead in sharing the final comments with Dave Croxton on Monday?

Eric, Below are highlights from our call yesterday with R10 that may be of interest to you:

- Dave has a voicemail message in to the tribe regarding attorney participation, and is awaiting a response.
- We discussed that time lag may affect tribal waters at times.
- Helen is looking into whether or not several exceedances may exist after de-lagging.

Ex. 5 - Deliberative

- Tribe not necessarily looking to change Box and Boundary Dam allocations (these are downstream of tribe).

Eric —I let Jim Curtin know that the participant list for 28 August is still in flux and that you would touch base with him early next week with more information. I expect Dave Croxton will give you a call on Monday.

Thanks for your patience and understanding while I am away next week, returning Sept.
3. Safe travels, Jim!
